## Reputable Online Suppliers:

**www.amazon.com** Amazon has a selection of cheap reeds, reed guards, folding music stands and tuner/metronome. I would be very selective about which reeds to buy from Amazon.

**www.wwbw.com** The Woodwind and Brasswind is an online wholesaler. You should be able to find most of your supplies at a low price.

**www.steveweissmusic.com** Steve Weiss Music is a percussion specialist. ALL of the required percussion supplies are available from Steve Weiss Music.

**Please make sure your child has all of the required supplies by September 13, 2019.**

\* This can be an app on a smart device. I recommend Tonal Energy, but any metronome and/or tuner app can work.

\*\* Please refer to the band packet for appropriate concert attire.

\*\*\* Please make sure you are purchasing the sticks indicated. Since students will be using them on school owned instruments, they are to use the approved sticks/mallets. All mallets and sticks can be found at [www.steveweissmusic.com](http://www.steveweissmusic.com) if they are not in stock in our local music store.

## Please have all supplies by Friday, September 13, 2019.
