Reputable Online Suppliers:

www.amazon.com Amazon has a selection of cheap reeds, reed guards, folding music stands and tuner/metronome. I would be very selective about which reeds to buy from Amazon.

www.wwbw.com The Woodwind and Brasswind is an online wholesaler. You should be able to find most of your supplies at a low price.

www.steveweissmusic.com Steve Weiss Music is a percussion specialist. ALL of the required percussion supplies are available from Steve Weiss Music.

Please make sure your child has all of the required supplies by August 28, 2020
